

and yet a nagging thought
tells you that love is missing.

All of the things that once
brought pleasure into your life
become meaningless.

CONGRATULATIONS!

You are in Love.

When you are not in love,
all the world may seem
equally bright and pleasant

HOW to LOVE

"LOVE VS. NO LOVE"

Choose a target for your love.

Other people's company
becomes insufferable

and only your beloved can
bring light into your life.

Like staring at a light,
their image will stay with you
when you close your eyes.

Stare at them until the
world around you becomes
dull and grey.
